The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$2,500,000 in funding for the **Centennial at Buckingham Intersection Improvements** project in fiscal year 2026. The entity to receive funding for this project is the City of Richardson, located at 2360 Campbell Creek Blvd, Richardson, TX 75082. The funding would be used to reconfigure a road intersection and install a new traffic signal.

The project is an appropriate use of taxpayer funds because it will improve public infrastructure on this regional roadway, increasing safety and travel-time reliability by reconfiguring the roadway intersection geometry and adding a new traffic signal. Centennial Blvd is a regional east to west roadway spanning four cities with access to US 75 and carries 40,000 vehicles per day.

The project has a federal nexus because the funding provided is for purposes described in Highway Infrastructure Projects (23 USC 133).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Julie E. Johnson", with a long horizontal line extending to the right.
