The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$4,500,000 in funding for the **City of Dallas Garland Road Erosion Control Improvements** project in Fiscal Year 2027. The entity to receive funding for this project is the City of Dallas, located at 1500 Marilla St., Dallas, TX 75201. The funding would be used to support construction improvements along White Rock Lake adjacent to Garland Road to address severe shoreline erosion.

The project is an appropriate use of taxpayer funds because the lake attracts thousands of visitors daily and supports surrounding neighborhoods, small businesses, and tourism activity, so protecting this infrastructure ensures continued safe access to recreation, commuting routes, and park amenities.

The project has a federal nexus because the funding provided is for purposes described in 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
