The Honorable Rosa L DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$3,528,500 in funding for the **Dallas County Esperanza Community Center Health Clinic** project in Fiscal Year 2027. The entity to receive funding for this project is Dallas County, located at 500 Elm Street, Suite 3100, Dallas, TX 75202. The funding would be used to renovate the health clinic space in the community center and address mechanical, electrical, and plumbing issues.

The project is an appropriate use of taxpayer funds because it directly invests in essential health infrastructure that will expand access to primary care, pediatrics, dentistry, and other critical services for families who need them most.

The project has a federal nexus because the funding provided is for purposes described in the Public Health Service Act.

The project has a federal nexus because the funding provided is for purposes described in I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
