The Honorable Rosa L DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$2,000,000 in funding for the **City of Dallas Master's Drive Park & Sports Complex** project in Fiscal Year 2027. The entity to receive funding for this project is the City of Dallas, located at 1500 Marilla Street, Dallas, TX 75201. The funding will be used to transform approximately ten acres of vacant land into active park space with athletic fields, spectator seating, lighting, parking, and supporting amenities in an area that currently lacks accessible parkland.

The project is an appropriate use of taxpayer funds because the complex addresses a documented gap in park access and provides structured recreational opportunities for youth and families.

The project has a federal nexus because the funding provided is for purposes described in 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read 'Julie E. Johnson', with a long horizontal flourish extending to the right.
